

Amity™  
D O O R S

BE BOLD

ADD A HINT OF BOLDNESS TO YOUR HOME WITH BOLD DESIGNS THAT PROJECT STYLE

We Amity doors introduce in front of you an extremely durable, clean, water resistant, strong and stylish doors which can be used in a demanding environments where door performance and hygiene are critical.

Our doors can be made in any size, any shape or configuration to best fit your needs. Amity doors are available in standard size as well as custom sizes and construction. These doors are totally sealed, solid core construction and resistant to a broad range of elements such as moisture, chemicals, gases and micro organisms. They are attractive, corrosion resistant, light weight yet are ideal for heavy duty performance.

You can select designs from our image gallery, we'll provide you on your Amity FRP Doors.
